Galaxy® Fit

Durable & Versatile...

Everything a Weight Room Floor Should Be

Galaxy Fit is made from virgin-blended rubber vulcanized to a recycled bottom layer. The top layer is a solid color with 10% accent flecks and a dimpled, "hammer-tone" texture offering a safe, resilient and durable surface. Satisfying both style and function, its performance is unmatched in sports flooring. Designs from the simple to the complex can be tailored to your facility's unique style.
